Dear Heavenly,

Thank you so much for your kindness with your recent generous contribution. Through your partnership with the Tunnel to Towers Foundation, you are making a life-changing difference for America's heroes and their families.

As a Tunnel to Towers supporter, your giving allows the Foundation to:

- Build specially-adapted *smart homes* for catastrophically injured veterans and first responders;
- Provide mortgage-free homes to Gold Star and fallen first responder families with young children;
- Work on eradicating veteran homelessness by providing housing and services to those in need;
- Help America keep its vow to NEVER FORGET 9/11 by engaging people across the country and educating future generations.

By lifting so many deserving heroes and families, your gifts to the Foundation are an act of compassion. They are also a wise investment in truly changing the lives of others for the better. Your continued generosity shows our heroes and the loved ones they have left behind that we will NEVER FORGET their sacrifices.

You can be confident that we are good stewards of your gifts. In fact, 95 percent of every dollar donated goes directly to our programs. And every year, the Foundation achieves the highest rating, four stars, from Charity Navigator, the nation's largest and most utilized evaluator of charities. *life-changing difference for America's heroes*

Please know your donation was applied as you requested. In compliance with the IRS Substantiation and disclosure provisions for 501(c)(3) tax-exempt charitable organizations, we affirm that no goods or services were received in exchange for your donation.

On behalf of America's heroes, thank you so much for your continued support. *Let Us Do Good!*

Warmest regards,  
*Frank Siller*
