May 2023

Dear Friend,

Thank you for your recent gift to our children.

Your faithful prayers and gifts continue to bring hope for a bright future

This year's senior class of 75 students is living proof that your support changes lives. Despite many obstacles, our seniors achieved their goals, not only in academics, but also in learning life's lessons.

Your loyal support of Boys Town has played a direct role in their success.

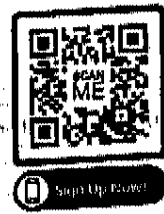

Please pray for our graduates' continued success and pray for those youngsters who are just finding their way to Boys Town. As we bid farewell to our seniors, another group of needy children walk through our door. Rest assured, we will watch over them with the same love and care.

As these young adults move forward to pursue their dreams, they have you to thank. For this, we are forever grateful.

God's Blessings,

Father Steven E. Boes  
National Executive Director
