Dear Heavenly Brickks,

On behalf of our athletes, thank you for your continued help in supporting critical Special Olympics programs. You've been a loyal friend since 2011. We truly appreciate your kindness and caring.

Your generous gift on 05/17/23 has already been put to work on behalf of our athletes and their families in New York and elsewhere, enabling athletes like Arianna to reach further and have more confidence to realize their dreams.

Arianna has been participating in Special Olympics for just over a year and it has been life-changing for her. As a child who tends to bolt at any time, Special Olympics track has taught her that there is a time and place to run and be safe. She runs with a big smile on her face, knowing that when she crosses the finish line, there will be lots of cheers. Special Olympics helps her channel her enthusiastic energy in a positive and healthy way.

This is the kind of support you offer children like Arianna. You give them the chance to be champions both on and off the field. That's why I am so moved that you have chosen to open your heart and give to Special Olympics. We simply could not do what we do without you.

Thank you again for your support. Please feel free to reach out to us if you have any questions about the important work your gift makes possible.

Gratefully,

Stacey B. Hengsterman  
President & CEO  
Special Olympics New York
