Dear Lyn,

Philámayaye — *thank you* — for helping our 2023 eighth grade and high school graduates reach another milestone! Your special gift is greatly appreciated.

As a member of their *thiyóšpaye* — *extended family* — you play an important role in providing HOPE for the future. Together, we are helping our graduates overcome life's challenges. In our prayers, we ask the Lord to guide each student with the love, knowledge and self-confidence instilled in them by the caring staff in their journey through high school and beyond.

Lyn, preparations are being finalized for our summer programs. As another school year winds down, funding for the 2023-2024 school year is underway. Thank you for all you do for each Native American child at St. Joseph's Indian School!

May the Lord keep you and your loved ones safe and in good health.

Peace and Blessings,

*Thank you for
 your gift!*
