

**25** *Years of Providing Help & Hope*  
**SUPPORT CONNECTION** 

Breast & Ovarian Cancer Support

Support Connection's mission is to provide emotional, social and educational support services to women, their families and friends affected by breast and ovarian cancer. The support provided enables women to help each other and empowers them to become their own healthcare advocates.

**We've been there. We care.**

*Thank you so much  
for your support. It  
means so much to me!*

Dear Lyn,

Thank you for being a **25<sup>th</sup> Anniversary Silver Jubilee Caring Heart Sponsor**, This is a milestone year for Support Connection as we celebrate 25 years of providing hope and help to people impacted by breast and ovarian cancer. Your generosity and dedication enable us to offer free, confidential support services to people impacted by breast and ovarian cancer. For that, we are so grateful.

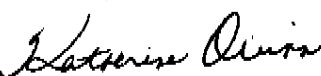

Support Connection opened its doors in September 1996. Since then, our peer counselors, cancer survivors themselves, have offered empathetic, knowledgeable guidance to the people who turn to them. Our counselors have had cancer; they understand the fears, anxieties, and uncertainties a cancer diagnosis brings.

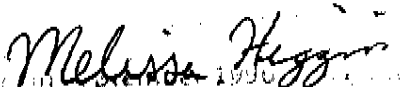

In addition, our wellness and educational programs offer tools and resources that help people during this challenging time. Lisa, one of the people helped by Support Connection, shares how much the support means to her.

*"Support Connection has been invaluable for me while going through my breast cancer journey. Any time I have called, someone has been available to speak and provide such helpful guidance and conversation to help me process what I am going through. The programs are excellent and so helpful."*

Thank you once again for your donation. You are helping us make a positive difference in the lives of people with breast and ovarian cancer. We celebrate you for your kindness!

Sincerely,

  
Katherine Quinn  
Executive Director
