Dear Ms. Romano:

We're so grateful for your December 15th gift from Heavenly Brickks Charitable Foundation to VNS Health, formerly known as the Visiting Nurse Service of New York, made in memory of Mr. Raymond M. Romano. Thank you for your commitment to ensuring that every New Yorker receives the care they need and deserve, regardless of their ability to pay. I am pleased to let you know that your gift has been matched by our Board of Directors!

Our new name reflects both our past and our future: our historic legacy and our current role as a health care leader and innovator. It speaks to how our mission has expanded in recent years to meet the changing needs of the people we serve. While our name is changing, please know that we continue to provide the same excellent services that the people of our city need and deserve.

When you support VNS Health, you deliver a better today and more hopeful tomorrow to New Yorkers who might otherwise not be able to find, access, or afford the care they need. Your contribution ensures that even in the darkest times, VNS Health's compassionate care brings hope to our most at-risk neighbors.

Again, thank you for your donation and all the care it brings to our vulnerable neighbors.

Sincerely,

Andrew N. Schiff, MD
Board Chair
